Hey guys, this is a new project that i love and hope to release as fast as possible since there's quite a few more volumes... We're using the french scans as a provider for translations so we're in need of French translators and redrawers. We're in need of the rest of staff also... cleaners/typesetters/proofreaders but what we need most is french translators and redrawers. So come by irc and help us out. This is a joint project with Illacrimolmber btw.
I'd like to specifically thank hika for helping me out by ti-checking some pages for me, thanks.
Anyway, enjoy.

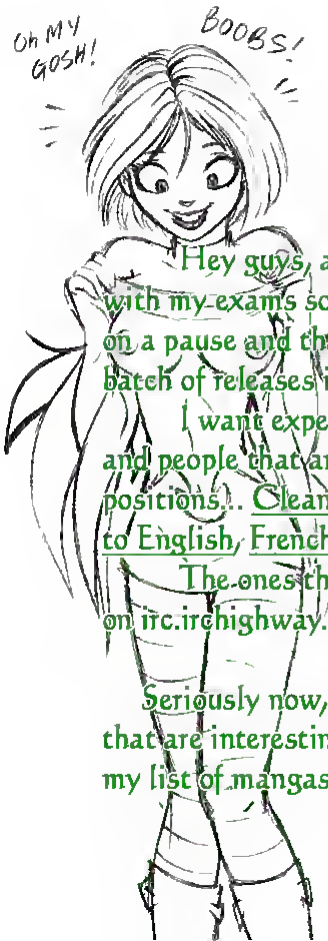
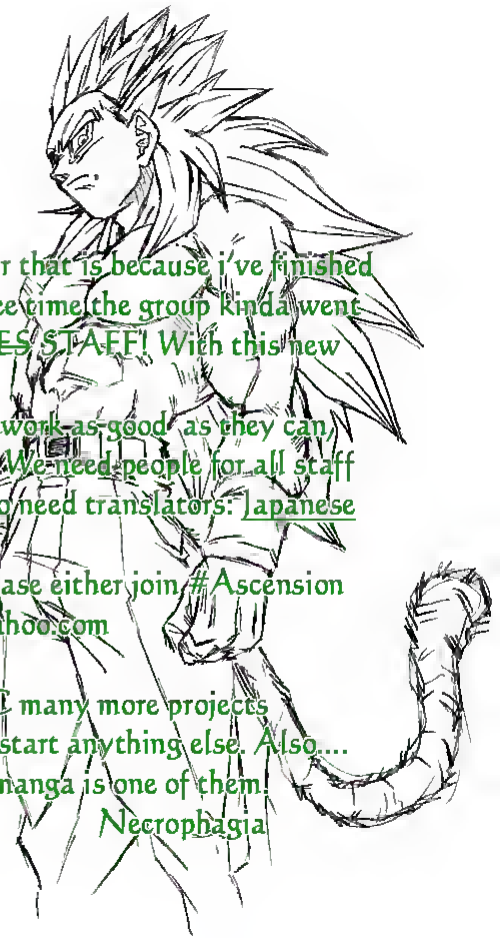
Ascension & Illacrimo Imber



Ascension Scanlations is in need of new blood.



Hey guys, as you guys can see we've started a few new projects. The reason for that is because i've finished with my exams so i'm sort of free now. Anyway... due to me not having that much free time the group kinda went on a pause and that's because i have next to no staff. So that's why I NEED ~~SLAVES~~ STAFF! With this new batch of releases i'm hoping to get some extra hands that could help me out.

I want experienced staff but i'm willing to train new people that are willing to work as good as they can, and people that are gonna stay with us and not walk away from us after 1 week or so. We need people for all staff positions!.. Cleaning, Proofing, Quality-Checking, Typesetting, Redrawing. We also need translators: Japanese to English, French to English, Chinese to English, Korean to English.

The ones that we need most are the ones underlined. Whoever is interested please either join #Ascension on irc.irchighway.net, or post on our forum, or send me a mail at bratan_valentin@yahoo.com

Seriously now, help us and we'll release faster and more releases. I have on my PC many more projects that are interesting, but i need help to finish the ones that i started first before i can start anything else. Also.... my list of mangas that i want to do is reallllly big, who knows maybe your favorite manga is one of them!
